What is Dual Enrollment?

Dual Enrollment courses are college classes, taught by Palomar College professors, on our high school campuses for your students

Why take Dual Enrollment courses?

Dual Enrollment courses offer students an opportunity to earn university transferable credits while still in high school.

How much does it cost?

Courses are FREE for SMUSD students and books are provided by the district.

How does my student register for a class?

Students can sign-up with their school counselor. They will need a to fill out a paper application, online application through Palomar and receive a Palomar ID.

STUDENT & PARENT INFORMATION SESSIONS COMING SOON

*Subject to Palomar College final approval and enrollment numbers

**Offered only at MHHS but open to SMHS/TOHS students
