

## **Class Schedule // 8/14**

This week students are completing registration as well as chromebook and textbook distribution. When students pick up textbooks they are picking up books for term 1 classes only. While school counselors are busy this week scheduling students into classes, final schedules will not be ready until the evening of Monday August 17th on ParentVue and StudentVue. When students login to StudentVue on Monday they will be able see their first and second term class schedule. Students may request a schedule change by emailing their school counselor up to 3p on Friday August 28<sup>th</sup>. Please wait to request a schedule change until after you have viewed your final schedule. Please note; school counselors cannot honor schedule change requests for a specific teacher, term or period change.
